Grillin' for Grants Fundraiser Nov. 9

PENDLETON - The public is invited to the 3rd Annual Grillin' for Grants fundraiser for the Education Foundation of Pendleton.

The event is scheduled for Nov. 9 at 5:30 p.m. at the Pendleton Convention Center. The evening will include live and silent auctions, the opportunity to see the new Pendleton High School (PHS) Food Truck and a meal of BBQ tri-tip, baked beans, salads, bread and cheesecake. Dinner will be prepared PHS' culinary classes, led by Chef Kristin Swaggart. The meat will be grilled by PHS Principal Dan Greenough.

Advance tickets are \$25 each and can be purchased at the Pendleton Chamber of Commerce, the Pendleton School District Office, Pendleton Art+Frame or from a foundation board member.

The Education Foundation of Pendle-

ton funds enrichment opportunities for students of the Pendleton School District, including field trips, conferences and workshops, plus speakers and artist-in-residence programs at local schools. Last year, they approved grants in the amount of \$22,000.

Many local businesses are supporting the Grillin' for Grants event with sponsorships and donations.

"We really want to make this fundraiser bigger each year in order to fund additional opportunities for Pendleton students," said Michele Madril, publicity chair for Grillin' for Grants and EFP board member. "This is a fun evening with the chance to support community youth."

EUGENA STACONA FOR TREASURER TUKEPELIKECESE! VOTE!

I believe in humanity and that all tribal members have the protection guaranteed by our treaty rights that include education, health, hunting, fishing, and gathering. We deserve the respect that our ancestors before us fought for! We should have the power to take part in the decisions that affect our tribe. I will stand up and make all of our voices heard.

I have over thirty years in accounting and administrative experience. I will bring that knowledge to the table and use it to benefit the tribe. I have worked at our Wildhorse Casino as Security Administrative Assistant, Bureau of Indian Affairs as Administrative Assistant/Acting Administrative Officer, Del Norte County California as Administrative Analyst, CTUIR Accounts Receivable, CTUIR Assistant Education Director, CTUIR Case Worker, and Mission Market Cashier. I have a Master's Degree in Administration of Justice and Security. I can balance any budget.
