Cancellation of May/June Committee/Commission Appointments

TRIBAL MEMBERS:

Due to the heavy losses in our community recently, The June appointments to committees and commissions (C/C) is postponed until the June & July C/C updates.

The month of May/June application process is closed, and those applications will be reviewed on June 26 and voted upon at the June 30 BOT meeting.

All C/C members with recently “expired” terms will serve until new appointments or re-appointments are made at that time. Those with ending terms shall serve until new members are sworn in and paperwork completed.

We will provide information on all new open positions and post those after that BOT meeting, tentatively on July 1, 2025.

Sincerest apologies for the inconvenience.

Should you have any questions, please call **Cami Lewis 541-429-7377**, or **Roberta Wilson 541-429-7372**.
