APPENDIX A: LEGISLATIVE HISTORY	

CHAPTER 1. PROVISIONS OF GENERAL APPLICABILITY

PART 1. GENERALLY

SECTION 1.1.1 TITLE

- A. This Code shall be cited in full form as the “Tribal Probate Code of the Confederated Tribes of the Umatilla Indian Reservation,” and in short form as the “Probate Code.”

SECTION 1.1.2 DECLARATION OF PURPOSE

- A. The Confederated Tribes of the Umatilla Indian Reservation (CTUIR) Board of Trustees (Board) encourages CTUIR Tribal members (Tribal members) and their families to prepare for transfer of property upon their death.
- B. The Board encourages Tribal members to execute wills, for which the Board of Trustees has provided resources, and to consider non-probate date-of-death property transfers pursuant to operation of law or operation of contract. Examples of such transfers include but are not limited to:
1. Transfer of titled or deeded property through joint ownership with right of survivorship, gift deeds, or transfer on death deeds; or
 2. Designating pay-on-death beneficiaries for bank accounts, retirement accounts, Tribal employee and Tribal entity employee final paychecks, life insurance policies, and the like.
- C. To avoid potential conflict or loss of cultural heritage items, the Board also encourages Tribal members and Tribal government employees to consider, if and when appropriate, to participate in:
1. *Inter-vivos* (while still living) transfer to the Tribe’s Cultural Resources Protection Program or Tamástslikt Cultural Institute of any inalienable items of cultural patrimony, as defined by this Code.
 2. *Inter-vivos* (while still living) transfers to intended beneficiaries of familial cultural property or other personal property, but only when such transfers can be completed without undue influence or duress, and without compromising a resource necessary for wellbeing.
- D. In Resolution 08-028 (April 7, 2008), the Board amended the CTUIR Inheritance Code. The Inheritance Code applies solely to the probate of property within the exclusive jurisdiction of the Department of the Interior under the Indian Land Consolidation Act; specifically, the American Indian Probate Reform Act of 2004, 25 U.S.C. §2201, et seq.
- E. In recognition of Tribal sovereignty and to advance self-sufficiency and self-determination, the Board now seeks to adopt a comprehensive probate code, including for real property and personal property, to the fullest extent that such property is properly within the CTUIR Tribal Court’s (Tribal Court) jurisdiction.

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

- F. Probate law impacts many diverse aspects of law and adopting a comprehensive probate code requires that the Office of Legal Counsel (OLC) analyze, review and amend several previously adopted tribal codes.
- G. To advance Tribal sovereignty, the Board is in the process of securing civil retrocession of Public Law 280 (PL-280), and a probate code is necessary for this effort.
- H. The Board hereby adopts this Probate Code to govern probate matters within the jurisdiction of the Tribal Court.
- I. Furthermore, the Board authorizes the Tribal Court, pursuant to its rule-making authority at CTUIR Court Code Section 3.02, to promulgate and adopt procedural rules for efficient probate administration.
- J. Furthermore, the Board assigns OLC to work with the Tribal Court to create forms for use in non-probate transfers within the Tribal Court's jurisdiction, and for use in probate matters by self-represented individuals in uncontested probate matters.

SECTION 1.1.3 FORM OF CODE

- A. Each Chapter carries equal weight as part of the Probate Code, and all Chapters shall be read together for purposes of interpretation.

SECTION 1.1.4 DIFFERENTIATION FROM INHERITANCE CODE

- A. The Inheritance Code, which solely governs the probate of trust land and trust personalty within the exclusive jurisdiction of the Department of the Interior, is not intended to be replaced or altered by the Probate Code, until such time as any amendments for the Inheritance Code are approved and adopted by the Board and the amended Inheritance Code is approved by the Secretary of the Interior. Until such time, the Probate Code explicitly governs administration of property properly within the Court's jurisdiction as described by this Code.

SECTION 1.1.5 DEFINITION OF EXTERIOR BOUNDARIES

- A. Any reference to the exterior boundaries of the Umatilla Indian Reservation (the UIR's exterior boundaries) in the Probate Code means the UIR Reservation boundary as outlined on the CTUIR Map attached as Exhibit 1; and including any off-reservation lands owned by the CTUIR, whether in trust or fee.

PART 2. EFFECTIVE DATE AND APPLICATION OF PROBATE CODE

SECTION 1.2.6 EFFECTIVE DATE OF PROBATE CODE

- A. The Probate Code shall become effective 120 days from the date of adoption. The provisions of this Code will apply to all decedent estates whose deaths occur on or after the effective date of this Code.

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

SECTION 1.2.7 APPLICATION OF PROBATE CODE

- A. To the fullest extent allowable, the Probate Code shall apply to decedent property within the exclusive jurisdiction or concurrent jurisdiction of the Umatilla Tribal Court, including:
1. Disposition of Tribal member property, whether such property is real or personal; incorporeal (such as an interest in a lease required under 25 C.F.R. § 162.005, as hereafter amended or replaced), or tangible or intangible; so long as the Tribal member is domiciled within the UIR's exterior boundaries, subject to the exceptions listed in Section 1.1.6.B.
 2. Disposition of permanent improvements, including houses, or any interest therein, situated on trust land within the UIR's exterior boundaries. Authority to probate these improvements lies exclusively with the Tribal Court, not the Secretary of the Interior, and the improvements will be probated pursuant to Tribal law.
 3. Disposition of any real property held in fee within the UIR's exterior boundaries, regardless of the decedent's Indian status or lack thereof, so long as the presumptive beneficiaries are each Tribal members or otherwise meet the definition of Indian as defined by this Code.
 4. Disposition of personal property held by the CTUIR or a Tribal entity as defined by this Code.
- B. The Probate Code does not apply to:
1. Administration of decedent property held in trust by the Department of the Interior for the benefit of individual Indians. Such property, wheresoever situated, is properly within the exclusive jurisdiction of the Department of the Interior Office of Hearings and Appeals Probate Hearings Division, until such time as federal law allows probate of such land to be compacted with the Tribe.
 2. Real property, or any interest in real property, that is held in fee and situated beyond the boundaries of the State of Oregon, including when the real property is within the exterior boundaries of another tribe's reservation. Such property is properly within the jurisdiction of that state or that tribe.
 3. Any interest in a permanent improvement that is situated on trust land within another tribe's jurisdiction.
- C. The Probate Code, as adopted, applies to all estate assets and liabilities of a decedent whose estate is properly within the jurisdiction of the Tribal Court.
- D. Estate assets that transfer ownership at the time of the decedent's death according to operation of law, such as through survivorship interests; or operation of contract, such as through validly executed documents that designate a beneficiary, are not subject to probate under this Code.
- E. Where estate property, such as cultural heritage items, does not pass through operation of law or operation of contract, but have been designated as non-probate assets by this Code, such

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

assets are not subject to probate under this Code. However, the Court may accept a settlement agreement on the record where possession or ownership of such property is at issue.

SECTION 1.2.8 CUSTOMS AND TRADITIONS RECOGNIZED

- A. The customs and traditions of the CTUIR are hereby recognized and encouraged in the application and interpretation of this Code, and to Wills and Codicils that are executed under this Code, to the extent that such interpretation does not directly conflict with the explicitly stated written intent of the decedent.

SECTION 1.2.9 REVIEW AND AMENDMENTS

- A. Three years from the date of adoption, the Tribal Court Director, relevant Tribal Court judges and staff, the Office of Legal Counsel, and any other relevant CTUIR staff, including where Bureau of Indian Affairs duties have been compacted, shall review the Probate Code to determine what amendments could assist with judicial efficiency, procedural effectiveness, or make the Code more user-friendly without compromising due process considerations.
- B. Within ninety (90) days, any proposed amendments shall be presented to the Board, including recommendations for amendment to, and incorporation of, the Inheritance Code.
- C. All amendments must be approved by the Board of Trustees, unless the amendment solely affects a procedural rule, in which case the Tribal Court shall provide notice of the amendment to the Board and to the public pursuant to CTUIR Court Code Section 3.02.

SECTION 1.2.10 SEVERABILITY

- A. If any provision, in whole or in part, or its application thereof to any person or circumstance, is held to be unconstitutional or invalid, that shall not affect the validity of the other provisions of this Code.

PART 3. DEFINITIONS

SECTION 1.3.1 GENERALLY

- A. The following definitions are applicable to all parts of this Code:
1. “Abate” means to reduce a devise because the estate has insufficient assets to pay all claims, administration expenses and devises in full.
 2. “Administration,” when related to a decedent’s estate, means the process of accounting for the decedent’s assets; settling any claims and liabilities; and then distributing the estate assets. Administration occurs whether the decedent died testate, intestate or partially intestate.
 3. “Adopted” or “adoptive” means a person whose parentage has been altered pursuant to an adoption judgment or decree from a court of competent jurisdiction, wherein the legal rights, responsibilities and obligations of a biological parent and the biological parent’s kin are severed, and the adoptive parent and the adoptive parent’s kin assume those

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

same legal rights, responsibilities and obligations as if the adoptive parent were the person's biological parent.

4. "Ancestor" means a decedent's lineal ancestors, such as a parent, grandparent or great-grandparent, who have survived the decedent.
5. "Assets" means a decedent's ownership interest in property.
6. A "beneficiary" is anyone who stands to benefit from the estate, such as an heir or devisee.
7. "Child" means a decedent's biological or adopted lineal descendant.
8. "Claim" means a liability of a decedent that was incurred during the decedent's lifetime. A claim does not include an expense of estate administration, which is a liability of the decedent's estate.
9. "Codicil" means a will that modifies or partially revokes an existing earlier will and that refers to that earlier will, and that is found with the earlier will which it incorporates by reference.
10. "Collateral heirs" are brothers, sisters, aunts, uncles, nieces, and nephews of a decedent.
11. "Confederated Tribes" or "CTUIR" or "Tribal" means the Confederated Tribes of the Umatilla Indian Reservation.
12. "Court" means the CTUIR Tribal Court.
13. "Court of Appeals" means the CTUIR Tribal Court of Appeals.
14. "Decedent" means a person who has deceased.
15. "Descendant" means an individual who is descended from a specific ancestor, including a lineal descendant, such as a child, grandchild or great-grandchild. When referenced in intestate succession under this Code, "descendant" does not include a descendant of a still living descendant.
16. "Devise," as a noun, means property disposed of by a will or, as a verb, to dispose of property by a will. "Devise" includes:
 - a. A "general devise" is a devise that is not distinguishable from other parts of the estate and does not constitute a specific devise.
 - b. A "specific devise" is a devise of a specific thing or specified part of the testator's estate and is described in such a way that it can be differentiated from all other parts of the estate.
17. "Devisee" means a person entitled under testate succession (designated in a will) to receive property according to the decedent's stated intent.

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

18. “Domicile” means the place of abode of a person, where a person intends to remain and to which, if absent, the person intends to return.
19. “Estate” means the totality of the decedent’s assets, whether owned in whole or in part by the decedent. An estate may include both a non-probate estate, consisting of non-probate assets, and a probate estate. A probate estate is subject to administration, including the payment of debts, liabilities or claims determined to be the responsibility of the decedent before death, and distribution to intestate heirs or testate devisees, until full distribution is adjudged and the estate is closed. Any probate estate is subject to the provisions of this Code regarding summary distribution of exempt estates.
20. “Expense of administration” means a liability incurred during the process of administering a decedent’s estate. An expense of administration is different than a claim, which is a liability incurred during a decedent’s life.
21. “Funeral” includes the burial or other disposition of a decedent’s remains, any plot or tomb and other necessary incidents to the disposition of the remains, any memorial ceremony or other observance, and related expenses.
22. “Heir” means a person entitled by operation of law to an interest in a decedent’s property.
23. “Indian” means any person who is a member of the Confederated Tribes or any other federally recognized Indian tribe; or a member of an Alaska Native Village; or who meets the definition of Indian under the Indian Reorganization Act (25 U.S.C. 479) and the regulations promulgated thereunder, as hereafter amended or replaced.
24. “Interested person” or “interested party” means any person or entity that may be affected by an estate’s administration or an action of the Tribal Court, and may include a decedent’s heir or devisee, or a creditor with a claim against the decedent’s estate. “Interested party” may also mean the CTUIR but only in the following instances:
 - a. When a Tribal government department or a Tribal entity holds an estate asset or the ability to distribute an estate asset, or
 - b. A Tribal entity holds a claim against the estate, or
 - c. The Tribe is a co-owner of an allotment which is affected by the disposition of a covered permanent improvement.
25. “Intestate” means a decedent who dies without leaving a valid will, or that dies leaving a will that does not effectively dispose of the decedent’s entire probate estate.
26. “Intestate succession” means the distribution of a decedent’s probate estate when the decedent dies without a valid will or where the will does not provide for distribution of the entire probate estate.
27. “Issue” means all the lineal descendants of a specific ancestor and includes all lawfully adopted children, except that:

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

- a. Children for whom the parent-child relationship has been legally severed or terminated shall be considered issue only for purposes of inheriting familial cultural property or items of family significance; for instance, photographs.
 - b. In the case of a child in gestation who is born after the death of a parent, the afterborn child shall be considered issue who was alive at the time of death of the deceased parent.
28. “Joint tenancy with a right of survivorship” is defined as two or more owners holding an undivided interest in property, who each have a right of survivorship in the whole property. Because of this, the property passes through an automatic transfer at the time of a decedent’s death, until there is only one owner remaining, who then owns the whole of the property.
29. “Life estate” means a beneficial interest held only for the duration of the life of a specified person, usually the possessor, and for which any remainder interest transfers automatically to another when the specified person dies.
30. “Lineal descendant” means a descendent in a direct line from the decedent, such as a child, grandchild or great-grandchild. When referenced in intestate succession under this Code, “descendant” does not include a descendant of a still living descendant.
31. “Minor” means any individual who has not yet reached 18 years of age and who is not otherwise emancipated by a court of competent jurisdiction.
32. “Non-probate asset” means those rights and interests of a decedent that extinguish or transfer through operation of law or operation of contract at the moment of a decedent’s death. Examples include but are not limited to:
- a. Property titled as a joint tenancy with right of survivorship, including fee property subject to a tenancy by the entirety as established under ORS 91.010, 91.030 and 93.180(1)(b), as hereafter amended or replaced.
 - b. A joint account at a financial institution that includes a right of survivorship, or an account at a financial institution when there is a designated pay-on-death designee.
 - c. Assets in a trust-titled bank account.
 - d. Deed or conveyance if possession has been postponed until the death of the person, such as a transfer on death deed.
 - e. An individual retirement account or bond, life insurance, or similar document when there is a designated beneficiary.
 - f. Items of cultural patrimony, as defined by this Code.

*STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)*

- 33. “Parent” means the biological or lawfully adoptive mother or father of a person. It does not include any person whose parent-child relationship has been terminated by a court of competent jurisdiction.
- 34. “Personal representative” means an individual who is appointed by the Tribal Court to act in a fiduciary capacity to administer an estate pursuant to the powers and duties conferred by this Code.
- 35. “Property” includes:
 - a. “Personal property” means any property that is not real property, and including either material items, or an immaterial or intangible benefit that also effects a right in a material or tangible item.
 - b. “Real property” means any interest in land that is held in fee and any improvements thereon; provided, however, that a covered permanent improvement, such as a house, which is located on individually held trust property and subject to a security interest, mortgage, promissory note or other financing agreement is considered personal property for purposes of this Code.
- 36. “Probate” is the procedural process of administering a decedent’s estate until all claims are paid or resolved, all assets are distributed, and the estate is closed.

 2. Any person who participates in a probate or probate-related action or proceeding will be considered to have consented to continuing personal jurisdiction by the Court, except that a person who appears solely to challenge the jurisdiction of the Court may appear solely for that purpose without submitting to the continuing personal jurisdiction of the Court.
 3. By accepting a distribution from the estate, a beneficiary submits to the personal jurisdiction of the Court, regardless of whether the beneficiary is a CTUIR Tribal member, a Tribal member of another Tribe, or a non-Indian.
 4. Court determinations, orders, and judgments pertaining to any matter related to the administration, settlement and jurisdiction of an estate shall have the full force of power as any other determination, order, or judgment of the Court.

3. Signed by two or more disinterested attesting adult witnesses, each of whom signs within the presence of each other and the testator after the testator has declared that the writing is the testator's will, that the will, as written, reflects the testator's wishes and that the testator has requested the witnesses to so serve.

SECTION 3.1.3 SELF-PROVED WILL

- A. A witnessed will or codicil may be made self-proved at any time at or after its execution by the acknowledgment thereof by the testator and the affidavits of the witnesses, each made before an officer authorized to administer oaths under the laws of the jurisdiction in which the acknowledgment occurs and evidenced by the officer's certificate, under official seal, attached, annexed, or referring to the will or codicil, in substantially the following form:

"I, [testator], swear or affirm under penalty of perjury that on [date], I requested [Witness No. 1 and Witness No. 2] to act as witnesses to my will; that I declared to them that the document was my last will; that I signed the will in the presence of both witnesses; that they signed the will as witnesses in my presence and in the presence of each other; that the will was read and explained to me (or read by me), after being prepared and before I signed it, and it clearly and accurately expresses my wishes; and that I willingly made and executed the will as my free and voluntary act for the purposes expressed in the will.

[Signed by Testator]

We, [Witness No. 1 and Witness No. 2] swear or affirm under penalty of perjury that on [date], [Testator] published and declared the attached document to be their last will, signed the will in the presence of both of us, and requested both of us to sign the will as witnesses; that we, in compliance the Testator's request, signed the will as witnesses in the Testator's presence and in the presence of each other; and that the testator was not acting under duress, menace, fraud, or undue influence of any person, so far as we could determine, and in our opinion was mentally capable of disposing of the estate by will.

[Signed by Witness No. 1]

[Signed by Witness No. 2]

Subscribed and sworn to or affirmed before me this [date] by _____, the Testator, and by _____ and _____, witnesses.
(Seal)

[Signature and official seal of notary]"

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

- B. A signature affixed to a self-proving affidavit attached or referring to a will is considered a signature affixed to the will, if necessary to prove the will's due execution. If so, however, the will is not to be considered self-proved.
- C. If a will is self-proved, it is not necessary that an attesting witness testify in Court or that other evidence of proper execution be presented as to the circumstances of its execution.

SECTION 3.1.4 WHO MAY WITNESS

- A. Any disinterested adult individual generally competent to be a witness in Court under Tribal law may act as a witness to a will.
- B. A witness who is a collateral heir of the decedent, as defined at Section 1.2.1(A)(11) is not considered interested unless that witness is also a beneficiary under the will.

SECTION 3.1.5 CHOICE OF LAW AS TO EXECUTION

- A. A will is valid if executed in compliance with the law of this jurisdiction; if at the time of execution or the time of death, its execution complies:
 - 1. With the law of the place where it was executed, or
 - 2. Where the testator is domiciled, or
 - 3. Where the testator has a place of abode, or
 - 4. If it complies with the federal law in effect at the time of the execution of the Will.
- B. A will executed in compliance with the law of this jurisdiction may include a will executed before the effective date of this code.

SECTION 3.1.6 HOLOGRAPHIC WILL

- A. A will that does not comply with Section 3.1.2 is valid as a holographic will, whether or not witnessed, if the signature and material portions of the document are inked, in the testator's handwriting and it can be proved that the testator intended that document to dispose of the testator's property or otherwise affect the testator's estate at death. Such a will may also solely nominate a personal representative to serve as a fiduciary for the estate, nominate an individual to act as a special administrator, or otherwise.
- B. If such a will is presented, the Court shall hear evidence on the record and make a final determination as to the veracity of the will, so long as there is clear and convincing evidence that the will is in the testator's handwriting and was not written under undue influence exerted upon the testator.

SECTION 3.1.7 REVOCATION OF WILL

- A. A will, or any part thereof, is revoked by executing a later will that revokes the prior will either expressly or by inconsistency, subject to the following:

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

1. A later will revokes a prior one by inconsistency if the testator intended the later will, or part of the will, to replace rather than supplement the prior will.
 2. A later will is presumed to replace a prior will if it distributes all of the decedent's property
- B. A will may be revoked in whole but not in part by the testator's performing a physical act on the will with the intent to revoke or by another performing a physical act on the will at the testator's request and in the testator's conscious presence. A physical act on the will includes burning, tearing, cancellation, obliteration, or other physical destruction of the will.
- C. If a will known to have been last in the possession or control of the testator before death is not found after the testator's death, it is presumed to have been revoked. This presumption is rebuttable by a preponderance of the evidence upon either direct proof of, or circumstances suggesting that, there was no revocatory intent.
- D. Except as provided by the terms of the will, court order, or a contract relating to property division, and unless the parties remarry before the testator's death, a will or any part thereof is revoked upon a final divorce decree or annulment to the extent that it benefitted the testator's former spouse or any of the former spouse's relatives who are not also relatives of the testator.

SECTION 3.1.8 WILL CHALLENGES

- A. A will or any part thereof offered for probate may be challenged or contested on the grounds of improper execution, lack of testamentary intent or capacity, undue influence, fraud, duress, or revocation.

PART 2. WILL CONSTRUCTION

SECTION 3.2.1 COMPOSITION OF A WILL; INCORPORATION BY REFERENCE

- A. A will comprises any written pages that are physically present at the execution of the will and which the testator intends to be part of the will. However, a will may incorporate a writing that is not physically present at the will's execution if:
1. The will reflects the intent to incorporate the writing; and
 2. The will describes the writing sufficiently to permit its identification.

SECTION 3.2.2 TANGIBLE PERSONAL PROPERTY LIST

- A. A will may refer to a written statement or list to dispose of items of tangible personal property, other than money, stocks, bonds, or the like, not otherwise specifically disposed of by the will.
- B. The statement or list is only valid and effective to dispose of the property if the testator signed writing and, in the writing, describes the items and the devisees with reasonable certainty.

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

- C. If any such separate writing includes non-qualifying property other than cultural property, the list shall be given effect to the extent of the qualifying property only, and any non-qualifying property will pass into the residue of the will.
- D. Property determined to be an inalienable Tribal cultural resource under the Historic Preservation Code or the Cultural Property Companion Code shall not be distributed pursuant to this Section, despite being in the decedent's possession at the time of death.

SECTION 3.2.3 PRETERMITTED HEIRS: CHILDREN UNINTENTIONALLY NOT PROVIDED FOR IN WILL

- A. If a testator fails to provide in the testator's will for any child born or lawfully adopted after the execution of the will, including any codicil, then the omitted child shall receive a share of the estate as provided in this section.
- B. If the testator had no living child when the testator executed the will, the omitted child receives a share of the estate equal in value to an intestate share unless the testator devised substantially all of the estate to the other parent of the omitted child and that other parent survives the testator.
- C. If the testator had one or more children living when the testator executed the will, and the will devised property to one or more of those then-living children, the omitted child shares in the amount received by the other children to whom devises were made under the will unless the testator devised substantially all of the estate to the other parent of the omitted child who is not a parent of the then-living children receiving a devise.
- D. If the testator had one or more children living when the testator executed the will, and the will did not devise property to any of the then-living children, the omitted child is not entitled to a share under the will.
- E. If at the time of execution of the will, the testator failed to provide for a child solely because the testator either did not know that the child existed or believed the child to be dead, the child is entitled to share as an omitted after-born or after-adopted child.
- F. In satisfying a share under this section, devises abate as under Section 11.3.1.

SECTION 3.2.4 WILL CONSTRUCTION REGARDING BENEFICIARIES

A. Death Of Beneficiary Before Testator

- 1. In the absence of a finding of a contrary intent, if a beneficiary under a will or transfer on death arrangement dies before the testator or owner, the interest that the predeceasing beneficiary would have taken had the beneficiary survived lapses unless the predeceasing beneficiary left descendants who survived the testator by at least 120 hours, in which case the interest passes to those descendants by representation:
 - a. A devise other than a residuary devise will lapse to the residue, if any; otherwise, to intestate succession.

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

- b. A residuary devise will lapse to the other residuary taker or takers, if any; otherwise, to intestate succession.
 - c. A class gift will pass to the surviving class member or members, if any; otherwise, to the residue or if none, to intestate succession.
 - 2. This provision applies to beneficiaries regardless of age.
- B. **Ademption Of Specific Devises**
 - 1. For the purposes of this Section, “ademption” means that a specific devise was liquidated, converted or replaced by the decedent prior to death.
 - 2. Subject to creditors’ claims and other exemptions and allowances in this Code, a will beneficiary to whom a specific devise was to pass has a right to that specifically devised property if it remains a part of the testator’s estate at the testator’s death.
 - 3. If the specific devise is not part of the testator’s estate at the testator’s death, the beneficiary has a right to:
 - a. any balance of the purchase price, together with any security interest, that would have been owed to the testator at the time of death for disposition of the property;
 - b. any proceeds unpaid at the time of the testator’s death on fire or casualty insurance on or other recovery for damage to the property or owed pursuant to a lease or license;
 - c. any real property or tangible personal property owned by the testator at death that the testator acquired as a replacement for specifically devised real property or tangible personal property.
- C. **SPECIFIC DEVISE SUBJECT TO MORTGAGE**
 - 1. Unless the will provides specifically to the contrary, a specific devise of any property passes subject to any mortgage or other security interest existing at the testator’s death, without right of the beneficiary of the devise to require that the indebtedness be paid from the estate’s other assets.
 - 2. A general directive in the will to pay the testator’s debts is not sufficient to indicate that this section does not apply.
- D. **CLASS GIFTS CONSTRUED TO ACCORD WITH INTESTATE SUCCESSION; EXCEPTIONS**
 - 1. In this section, “distribution date” means the date when an immediate or postponed class gift takes control, possession or enjoyment.
 - 2. Terms of Relationship.

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

- a. A class gift that uses a term of relationship (for instance: children, grandchildren, etc.) to identify class members presumptively includes an afterborn child, and a child born to parents who are not married to each other, and their respective descendants if appropriate to the class, under the rules for intestate succession regarding parent-child relationships.
- b. Relatives by Blood and Marriage. Terms of relationship in a governing instrument that do not differentiate relationships by blood from those by marriage, such as uncles, aunts, nieces, or nephews, are presumptively construed to exclude relatives by marriage.
3. A class gift assigned in a will shall apply to all real and personal property or interest therein that the testator owned at death and all property acquired by the estate after the death of the testator but before final distribution of the estate.

E. NO CONTEST CLAUSE

1. A provision in a will purporting to penalize an interested person for contesting the will is unenforceable if probable cause exists for commencing the contest proceeding.

CHAPTER 4. INTESTATE SUCCESSION

SECTION 4.1.1 APPLICATION

- A. These provisions shall be generally applied to all estate assets that are within the jurisdiction of the Court except for intestate succession of cultural heritage items, where specific provisions as to intestate succession are outlined in Chapter 12, and with specific considerations as applied to intestate succession of covered permanent improvements, including houses, as outlined in Chapter 13.

SECTION 4.1.2 RIGHT OF REPRESENTATION DEFINED

- A. “Right of representation” is defined as the method whereby each heirs’ share of the intestate estate is determined by dividing the intestate estate of a decedent as follows:
 1. Into as many shares as there are surviving lineal descendants, and lineal descendants that predeceased the decedent but left issue. Where a lineal descendant predeceased the decedent but left issue, the issue shall take equal parts of the share that the deceased lineal descendant would have otherwise inherited.
 2. If there are no surviving lineal descendants, then a decedent’s surviving lineal ancestors.
 3. If there are no surviving descendants or ancestors, the decedent’s collateral heirs in the following order:
 - a. Surviving siblings and, if a sibling predeceased the decedent, any surviving niece or nephew, in a share proportional what the sibling would have inherited;

SECTION 4.1.3 INTESTATE ESTATE

- A. The estate of a person dying intestate, in whole or in part, shall be distributed as follows:

 - 2. Surviving Spouse and Issue who is not issue of the Decedent. If the decedent leaves a surviving spouse and issue who is not also issue of the decedent:
 - a. The surviving spouse shall inherit one-half interest of the intestate estate, subject to other provisions of this Code, and
 - b. The non-joint issue shall inherit one-half interest in the estate, subject to other provisions of this Code.
 - 3. Surviving Spouse and No Issue. If the decedent leaves a surviving spouse and no issue, the intestate estate shall pass to the surviving spouse, subject to other provisions of this Code.
 - 4. Other Than Surviving Spouse. Where the decedent leaves no surviving spouse:
 - a. If the decedent leaves lineal descendants, the estate shall pass by right of representation in equal shares to the decedent's lineal descendants (i.e., children) who survive the decedent and, if a lineal descendant does not survive the decedent but leaves issue (grandchildren or great-grandchildren), to the issue in shares equal to what the lineal descendant would have taken, had they survived.
 - b. If the decedent leaves no surviving issue, the estate shall pass to the surviving immediate ancestor or ancestors of the decedent, (i.e., the decedent's parent or parents) in equal shares, subject to the other provisions in this Code regarding abandonment. If a parent did not survive but the next removed ancestor (grandparent) survived decedent, then to the next removed ancestor.
 - c. If the decedent leaves no surviving lineal descendants or ancestors, the estate shall pass by right of representation to the decedent's collateral heirs in this order: siblings, nephews, nieces, aunts, uncles, first cousins.
 - d. If no descendants, ancestors, or collateral heirs, then to the Tribe, subject to the provisions for escheatment outlined in this Code.

STATUTES of the CONFEDERATED TRIBES of the UMATILLA INDIAN RESERVATION
As Adopted through Resolution No. 2026-029 (April 27, 2026)

SECTION 4.1.4 ESCHEAT

- A. Where property of a decedent estate is subject to the jurisdiction of the Court, but the decedent leaves no surviving lineal descendants, ancestors, or collateral heirs, the property will escheat to the Tribe; provided that, if the decedent had a known interest in a particular activity or event of the Tribe, the Court may direct that the Department of Economic Community Development, Tribal Enrollment, or Finance, in consultation with the Office of Legal Counsel, assess the feasibility of liquidating the property and providing the proceeds to advance the particular activity or event.

SECTION 4.1.5 INHERITANCE BY CHILD

- A. For the purposes of inheritance by, through and from any child, the effects and treatment of the parent-child shall not depend on whether the parents have been married.

SECTION 7.1.3 STANDARD FOR FINDING OF PRESUMED DEATH

- A. When a missing person, whether a person for whom a petition for probate has been received by the Court, or a beneficiary of an estate currently before the Court, is missing but cannot be proven dead, and the sole reason such death is in doubt is a failure to find or identify the remains of the missing person, the Court may make findings as to a presumption of death and as to the date and time of death.
- B. Clear and convincing evidence must support the findings, and any finding as to the date and time of death shall follow from such evidence.

SECTION 7.1.4 DISTRIBUTION FOR BENEFIT OF MISSING BENEFICIARY

- A. When a beneficiary is missing and it has been finally adjudged that the beneficiary would otherwise receive a distribution from an estate, the Court may:
 - 1. Hear testimony and receive evidence from the personal representative or other fiduciary as to any efforts to locate the beneficiary.
 - 2. Make a finding as to whether the personal representative or other fiduciary has made diligent efforts, and, if applicable, instruct the personal representative or other fiduciary as to additional efforts consistent with those outlined below.
- B. On a finding that the personal representative or other fiduciary has made diligent efforts and the beneficiary cannot be located, and the estate is otherwise ready to close, the Court may order that the personal representative or other fiduciary pursue efforts to safekeep the distribution in a manner appropriate to the form of the property being distributed, including but not limited to: creation of a custodial account to hold funds; securely storing the item, such as with a Tribal department or Tamástslikt Cultural Institute; making distribution to the Oregon State Treasurer's Unclaimed Property, etc.

The judge will use the date of death found in the order or report, if such a finding was made. If no such finding was made, unless other evidence is submitted showing an actual date of death, the judge will use the date and time of last contact as the date of death.
 2. When a person has been missing for 6 years or more, signed affidavits by at least two individuals who could reasonably be expected to have contact with the missing person and are in a position to know that the person has been absent from their residence for no apparent reason or that the missing person has no identifiable place of residence and cannot be located, and that the missing person has not been heard from for 6 years or more. If there is no evidence available that the person continued to live after the date of disappearance or the date of last contact, the judge will use the date the person disappeared or the date of last contact as the date of death.

The best evidence includes statements from individuals who may have witnessed the missing person at the scene of the activity or participating in the activity shortly before the disappearance. SECTION 15.2.4 WHEN PAYMENT OF CLAIMS WILL BE MADE

- A. On the day on which all known claims will be barred pursuant to the provisions of this Code, the personal representative, after making adequate provisions for support of any surviving spouse and minor children as ordered by the Court, and for expenses of administration, the personal representative shall proceed to pay claims presented and allowed in the order in which they were received and in the order of priority listed below.

PART 1. SUMMARY CLOSURE OF ESTATES

SECTION 16.1.1 SETTING ASIDE WHOLE ESTATE FOR SUPPORT

- A. If it appears, after the four month notice period required for creditors and interested persons, that the sum total of the reasonable periodic support ordered for the support of the surviving spouse, minor children, and any protected persons, would deplete the entire value of the estate, after payment of any claims, taxes, and expenses of administration, then the Court may order that the whole estate be set aside for this purpose. If so ordered, there shall be no further proceedings in the administration of the estate, and the estate shall be summarily closed.

SECTION 16.1.2 SUMMARY ADMINISTRATION OF EXEMPT ESTATE

- A. An estate having an appraised value which does not exceed \$5000.00, and which is to be inherited through the rules of intestacy or by devise by a surviving spouse and/or minor children of the deceased, the estate shall be exempt from the claims of all general creditors, and any probate may be summarily concluded as provided in this subsection.
- B. Pursuant to a petition by the personal representative, the Court shall enter an order stating that it appears, from the inventory and appraisal filed with the Court, that the appraised value of the whole estate does not exceed \$5000.00 and that such estate is to be inherited by the surviving spouse and/or minor children of the decedent and shall set a date and hour for hearing objections of any interested persons, if any, why the whole estate should not be declared to be exempt

from the claims of all general creditors and distributed to the surviving spouse and/or minor children of the decedent.

- C. Notice of such hearing shall be given by publication in the CUJ regarding the order for the hearing and posting a true copy of such order in the Court, and by sending a true copy of such order by certified mail to all persons known to the personal representative to be a beneficiary of such decedent.
- D. Such notice shall be posted or mailed no fewer than ten (10) days before the time set for such hearing.
- E. At or before the time set for such hearing, the personal representative shall file his or her affidavit with the Tribal Court indicating compliance with this requirement of giving notice.
- F. If, upon such hearing, the Court finds that such estate is an exempt estate, the Court shall enter an order directing the personal representative to distribute such estate to the surviving spouse and/or the minor children of the deceased as set forth in the order and provide that no further proceedings are necessary and that, upon distributing the distributive share or shares of such estate to those entitled to them and filing receipts with the Tribal Court, the estate shall be closed, and the personal representative discharged.

SECTION 16.1.3 CLOSING ESTATE UPON JUDGMENT OF FINAL DISTRIBUTION

- A. The administration of an estate is concluded by:
 - 1. A final accounting of the personal representative to the Court, including receipts and documents showing final distribution to heirs or devisees;

- E. Any petition shall request the court to approve the final accounting, and to enter an order adjudicating that the estate has been fully administered, including that all presented claims, including any taxes, have been paid, settled, or otherwise provided for, and that final distribution has been made to the heirs and devisees.

After notice to all interested persons and hearing, and the filing of proof that a copy of the accounting was mailed to the heirs and devisees entitled to distribution of the remaining assets of the estate, and to all known creditors and other claimants whose claims are neither paid nor barred, the court may enter the appropriate orders and judgment, and discharge personal representative and, if appropriate, the special administrator, from appointment.

SECTION 16.1.4 CLOSING ESTATE BY FILING STATEMENT IN LIEU OF FINAL ACCOUNTING

- A. Unless prohibited by order of the court, a personal representative may close an estate by filing with the court no earlier than six months after the date of the original appointment, a verified statement stating that the personal representative, or the original personal representative, has:

CHAPTER 17. SUBSEQUENT ADMINISTRATION

- B. If a new appointment is made, unless the court orders otherwise, the provisions of this apply appropriately; but no claim previously barred may be asserted in the subsequent administration.
