Dairy Queen Closes at Coyote Business Park

Mission, OR – A Dairy Queen owned and operated by Windy River, a longtime tenant of Coyote Business Park, closed on September 30, 2020. Dairy Queen was an original tenant of Kusi Shopping Center when the building opened in 2012.

Kusi Shopping Center, the 6,000 square foot retail center owned by Windy River, has received several inquiries from businesses interested in the available space. They hope to announce and welcome a new tenant soon.

This closure is evidence of the devastation that the COVID-19 pandemic has had, not just on public health and well-being, but also on small businesses across the country.
