

Email Request for Proposals (RFP)

Dear Forest Management Consultant

The Confederated Tribes of the Umatilla Indian Reservation (CTUIR), Department of Natural Resources - Range, Agriculture & Forestry Program is requesting proposals to complete an Environmental Assessment (EA) with associated Forest Management Plan (FMP) in 2025 and 2026. The FMP will meet the demands of National Indian Forest Resource Management Act.

The project requires working closely with a CTUIR Interdisciplinary Team (IDT) to draft an EA and FMP that will be implemented for a (15) fifteen-year term. The selected contractor will be charged with reviewing CTUIR issues and concerns, developing goals and objectives, listing standards and guidelines and developing management alternatives for Bureau of Indian Affairs, Superintendent and CTUIR, Board of Trustee's consideration. The required documents outline and content are identified in the RFP.

The selected contractor will be required to follow federal procurement regulations. The contractor may subcontract for services that require specific knowledge and/or equipment but must consult with CTUIR prior to procuring sub-contract services.

Proposals will be accepted until **3:00 p.m. PST on Tuesday September 2nd, 2025.** Contractors are requested to detail the cost of their proposal in Schedule B of the RFP. This contract is a definite quantity contract so the price you submit will be what is considered when selecting the contractor.

Our intent is to begin scoping meetings in October of 2025 and complete the EA and FMP by December 1st, 2026. Contractors are encouraged to ask questions via email. All questions and answers will be shared with the mailing list or other interested contractors. Written questions concerning this RFP will be answered in writing up to August 26th, 2025.

If you have questions concerning this RFP, please contact Gordy Schumacher at (541)429-7238 or Matthew Demianew (541)429-7252.

Sincerely,

Gordy Schumacher
Range, Agriculture & Forestry
