The new July Grounds master plan situates athletic programs such as a new pool, basketball courts, and skate park at the entrance of the site for ease of access. The longhouse is flanked by two open areas which can be used for gatherings, celebrations, and picnics. A large dance Arbor sits North of the longhouse, accompanied by a multi-use amphitheater and seating built into the landscape.

**SITE DESIGN OPTIONS:**

**NEW BUILDING A:**
- Aquatics & Fitness Center
  - OR
  - Veteran’s Center

**CONFEDERATED WAY:**
- Confederated Way Stays Unchanged
  - OR
  - Confederated Way Converted to a Walking Path

**OUTDOOR PARK:**
- Fenced Dog Park
  - OR
  - Playground with Play Structures

**NOTE:** This master plan is not a final representation of future construction, but rather a long-term conceptual layout used to guide ideas and discussion for future growth and development.
